

CHANGE IS GOOD

BY SUSAN EDSTROM

CHANGE CAN BE GOOD. This month it's all about change and it's all good.

There will be a change in the name and status of Trophy Club Animals. I have officially received non-profit status and will be changing the name to reflect my heart and what I do -- the name of the rescue is Four Paws One Heart. It's all about four paws and helping them as one heart.

All my fosters, supporters, family, and friends; we act with one heart to do our best to save as many animals in need as we can. The Board is in place, our FaceBook page will be updated and a website will be launched soon! I would not have felt confident in taking this step without the support of the community -- so THANK YOU.

Four Paws One Heart will continue supporting the Trophy Club Animal Shelter, reunited lost and found pets, rehoming and rescuing. If you'd like to become a foster, let us know. New fosters are always needed. We will work to find a foster situation that fits what you can accommodate. We provide the supplies, support, and animals. Other needs include a foster coordinator, event support and fundraising ideas and support.

Our highlighted adoptees are our momma cats! I know, I know. Everyone wants the kitten but these moms worked hard to care for those babies, and they

deserve loving homes. We have two dilute Calico moms, Suki, and Lindy, a sleek black Manx, Emmy Lou, momma to our musical litter, and a gorgeous Siamese, Polly.
